fiveyear warranty

Only Hyundai has the confidence in the world class quality of our products and the commitment to our customers, to offer a unique Five Year Warranty. Our warranty is free, fully manufacturer backed, and lasts for five years of unlimited mileage. It's also fully transferable to the next owner if you decide to sell.

Extensive range

Hyundai cars appeal to every type of driver and the product range reflects this, leaving all tastes satisfied and all things considered. From city runabout, to rugged off-roader, to executive saloon, through to sleek sports coupe, Hyundai cars are designed for a purpose and for individuals who know what they want.

Customer options

What you get as standard on any Hyundai is truly exceptional and our choice of options are the final seal of quality. These enable you to make more of a personal statement through your choice of paint finish, interior trim, privacy glass or additional technological features. It's the small details that make a difference and we focus on these as much as the bigger picture because our customers deserve it.

Technology

At Hyundai we constantly strive for perfection, and nowhere is this more apparent than in our technological innovation. We design, develop and evolve all things mechanical, electrical and functional to help make Hyundai the car of choice for the discerning driver who recognises the importance of quality, performance and value for money.

startling

The Hyundai Getz raises the bar in the small car category. It is as compact as it is comfortable, with a style all of its own, and a design that is modern and contemporary. A practical and efficient performer, it really delivers on its promise of being a small car with a big personality.

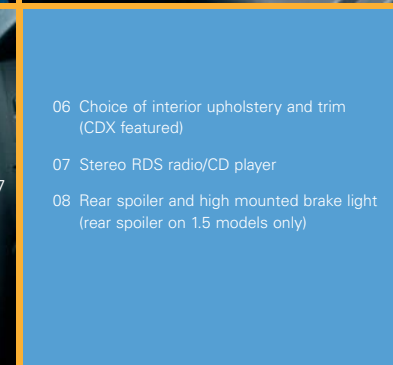

Getz

Getz is full of surprises
but never short on fun

striking Looks can be deceiving, but don't be fooled by the Getz. It really does make a great impression on all who see it, not to mention those who drive it.

The Hyundai design team enjoy what they do, and with the Getz they have invested time and effort into creating a car that looks as good as it drives. With its sleek and fun good looks, the Getz cuts through traffic as easily as it cuts through the perception of just what a small car can be. It's the attention to detail that sets the Getz apart and you can see this from whatever angle you care to view it. It's a car with style and substance for drivers who demand both.

fiveyear warranty

At Hyundai we are so confident in the quality of our cars that every car in the range is covered by a unique, free Five Year Warranty.

What makes it so good is the fact that it is manufacturer backed, for the entire five year period. It's a permanent offer on all of our new vehicles, is unlimited by mileage* and is also fully transferable. Also included is a six year anti-perforation warranty and three years RAC Assistance.

* Limitations apply to vehicles used for private hire and commercial use. Ask your dealer for details.

Hyundai Car Finance

The vast majority of our customers borrow money from somewhere to enable them to purchase their new Hyundai. At Hyundai Car Finance we believe we have a complete solution with a range of products for all Hyundai customers. We provide Hire Purchase or Personal Loan options. Simply finance any amount over any period between 12 to 60 months.

Sequences

Reduce your monthly payments by deferring part of the cost to the end of the agreement, resulting in an optional final payment and offering you 3 great choices.

Payment Protection

We offer 3 levels of Payment Protection cover to cater for a whole range of circumstances.

Please see your dealer for details.

Guaranteed Asset Protection

Did you know that if your vehicle was written off as result of an accident, fire or theft, your insurance company would only pay the current market value of the vehicle, and not what you actually paid for it? If you wanted to replace your vehicle you would have to find the difference.

GAP insurance can cover you for any shortfall from your insurance company in a total loss situation.
